

Are you interested in Mathematical Reasoning?

Do you have experience of leading Maths CPD?

Would you like to lead a National Mathematics Project in the region?

We are looking to recruit a Work Group Leader for a National Collaborative Project on Mathematical Reasoning in Key Stage 3

More details are included on the application pack for Work Group Leader for NCP4 which explains the project, the role and the expectations.

If you would like to apply for this position (or have more questions) please email the Hub Lead with the following:

- Application statement (1 page maximum) on how you fit the WGL criteria
- Reference from your line manager or appropriate person

Deadline: Friday 9th October

Hub Lead: Dean Rowley (Kesgrave High School)

Contact details: drowley@kesgrave.suffolk.sch.uk
