

KESGRAVE HIGH SCHOOL

EDUCATIONAL VISITS POLICY

The Governing Body adopts the Outdoor Education Advisers Panel (OEAP) National Guidance for the management of Suffolk education visits & LOtC Activities for the management of educational visits, with specific interpretations in the following areas:.

The governing body nominates a member of staff – see Appendix 1 – as Educational Visits Co-ordinator.

The governing body approves the delegation to the Educational Visits Co-ordinator of the following duties:

- A. Oversee all out of school activities and trips.
- B. The Passing on of details of all trips to the County Outdoor Education Advisor via EVOLVE and Deputy Head teacher as appropriate.
- C. Briefing new staff on regulations for trips.
- D. Supporting staff that are organising trips.
- E. Briefing all staff on latest training and regulations in relation to school trips.
- F. Risk assessment for all school trips.
- G. The preparing of staff to run school trips.

The governing body agrees the retention by the Head teacher of the following duties:

- A. The approval of all school trips.
- B. Ensuring Educational Visits Co-ordinator attends all relevant training.

County regulations categorise Educational Visits into two types:

Type 1 Visits are those that are regular, routine off-site activities (e.g. a PE fixture) and specific, one-off or occasional visits (e.g. a field study or museum visit)

Type 2 Visits are those which fall into one or more of the following categories:

- Visits including an overnight stay
- Visits including adventurous activities
- Visits abroad

Staffing Ratios

The governing body determines the minimum staff / pupil ratios for visits to be **1 to 20**. The teacher in charge of every educational visit must complete a risk assessment which is submitted to the Educational Visits Co-ordinator via EVOLVE. The Educational Visits Co-ordinator has a duty to ensure that a visit is adequately staffed, bearing in mind the nature of the activities to be undertaken, the particular needs of the pupils and the competence and experience of the staff assigned to the visit. Frequently the risk assessment for the visit will determine that a higher ratio of staff to pupils is required than the minimum stipulated in this policy.

Inclusion

Kesgrave High School is committed to actively supporting pupils with medical conditions to participate in school trips and visits and in accordance with the Equalities Act where appropriate.

The governing body determines the following arrangements for informing and obtaining the consent of parents for visits:

- A. All parent(s)/carer(s) informed well in advance of any trip being organised.
- B. All parent(s)/carer(s) to give consent for any trip their child is going on. No child will attend any trip when permission has not been forthcoming.
- C. All trips to be covered by the schools Charging and Remissions policy.
- D. All records to be uploaded to EVOLVE and kept for 25 years in accordance with the Data Protection Act

All trips are covered by Zurich Travel Insurance Policy.
